

The Kiddush group started 20 years ago, and it was then our 20th wedding anniversary. Now 20 years later we will soon be celebrating our 40th anniversary.

16:30 But if a creation the Lord create, and the ground open her mouth and swallow them up

וְאִם בְּרִיאָה יִבְרָא ה' וּפְצָתָהּ הָאֲדָמָה אֶת פִּיהָ וּבִלְעָה אֹתָם

Rashi says that the 'mouth' of the earth was a miraculous object created in advance during the 6 days of creation, during twilight just before Shabbat came in.

See also my drosha on **זאת הברכה** Devarim 34:6, referring to the (slightly different) lists of miraculous objects - created during twilight - which appear in Ethics of the Fathers, 5:8 and Pesachim 54.
